

Dear Parent/Guardian:

Thank you for your interest in the YWCA of WNY Inc.'s Girls Inc. Summer Camp. Our camp is running for 7 weeks this year from Monday, July 7th through Thursday, August 21st. We start at 12PM every day with a free lunch, and ask that the girls be picked up promptly at 4PM.

This year our themes are Sporting Chance and Girls Dig It! Sporting Chance is an opportunity for girls to learn about how to keep their bones, and whole body healthy. We will learn what foods to eat, as well as some fun exercises. Girls Dig It is about archaeology. We will learn how Vikings made shoelaces, how Egyptians made mummies, and the girls will participate in their own archaeological dig!!!

A few things to know before camp begins:

- Please make sure your child is prepared for the day. We ask that all our campers wear comfortable clothing to move around in, and socks and sneakers. Please provide an "old t-shirt" to be used as a smock for days when we get a little messy.
- We provide a free lunch every day so we ask that our campers not bring their own food. We do provide a menu, so if there are food allergies or other restrictions, you may send in a lunch on those days. We are a PEANUT FREE environment, and sometimes we have campers with other food restrictions, so if you would like to bring a snack for the group please ask the camp instructor first.
- We will be taking a field trip EVERY Wednesday, except the first Wednesday of camp. We would like to make the most of these opportunities so we usually leave earlier than the usual start time of 12pm. Please make sure your child is on time on those days. We will be sending permission slips home and will let you know what time your child needs to arrive to catch the bus.

If you have any questions or concerns please feel free to contact our Education and Leadership Department at 716-332-3633 ext. 302 or email at tchambers@ywca-wny.org.

We look forward to a fun and exciting summer!!!!

Sincerely,

Tamara Chambers

Dear Applicant:

Welcome to the YWCA of WNY and Girls Inc.! This summer is going to be a lot of fun! We're going to learn a lot of fun and interesting things, all while making new friends, and having a great time.

This year our themes are Sporting Chance and Girls Dig It! Sporting Chance is an opportunity for you to learn about how to keep your bones and whole body healthy. We will learn what foods to eat as well as some fun exercises too. Girls Dig It is all about archaeology. This means each week we're taking a trip back in time to learn about people and cultures from the past. You will learn how Vikings made shoelaces, how Egyptians made mummies, and you'll even practice doing your own archaeological dig!!!

A few things to remember before the fun begins:

- We'll be doing a lot of fun activities which may involve running, jumping, or stretching, and sometimes we may get a little messy. Be sure to always wear comfortable clothing you can run around in. You may also want to bring in an "old t-shirt" you can use for the messier activities. Also, be sure to wear socks and sneakers or bring a pair every day.
- A free lunch is provided every day. To keep things fair we ask that you not bring in your own lunches. We will have a menu so if there are food allergies or something you don't eat we can make an exception. If you would like to bring in something for everyone to share, please let the camp instructor know ahead of time for approval.
- We will be taking a field trip **EVERY** Wednesday, except the first Wednesday of camp. Make sure you arrive by the time the camp instructor tells you so that you don't miss the bus. The camp instructor will also let you know if you need to bring any special clothing those days (like a bathing suit for the beach!)

We look forward to helping you learn, grow, and have TONS of fun this summer!!

Sincerely,

Tamara Chambers
